Enclosure. 17

To

THE Director of Revenue Settlement
& Agriculture
Madras

SIR,

I have the honor to forward herewith the abstracts of 16 villages of the Periyakulam Taluk for your approval and return, and to state that there is an assessment a decrease of 11 percent in Dry and an increase of 26 percent in Wet whilst the area shows an increase of 6 percent in Dry and 2 percent in Wet. The average rate per acre according to the Revenue accounts is Rs 1-3-... for Dry and Rs 4-0-2 for Wet ~~...~~ as against the Settlement rates of ~~the proposed~~ is Rs 1-0-7 and 4-~~15~~14-... ~~for dry and wet~~ respectively. The decrease in Assessment in dry is chiefly on 7-1 and 8-1 soils

Submitting the abstracts of 16 villages of the Periyakulam taluk for approval & return

~~whose~~ the settlement rates are very low, as I have pointed out in my Demi-official letter of [illegible] ~~and~~ the increase in assessment

in wet is due to the former

revenue assessment being

~~unduly~~ absurdly low. The lands are

~~very~~ ~~good~~ rich and the irrigation

exceedingly good – the best in the District; and consequently the increase of 26 per cent is not excessive for this village, the Govt. having sanctioned an increase of 14 per cent for the whole district.

~~The very~~ In many

cases where the ~~maximum~~ increase is

excessive the sorts have been

reduced, ~~but still the increase~~ and I am confident that the settlement rates

~~is heavy but is~~ are fair and just.

~~The necessary relief will be~~

~~given~~ Where there is a great increase

in individual cases relief will be given at the

En ore. 7 August 86.

To
The Director ...

Sir
As directed in ... your
... Official letter of the ...
dist, I have the honor to make
an official reference touching
the loss of revenue by settlement
on the dry land of the Zemindary district.
1. The result of the application to
the rates will not be a loss of revenue
in excess of the sum of Rs 67000
accepted by Govt. but what
... to point out ... loss that
in my humble opinion instead
of there being a loss of Rs 67000
there should be an increase of about
Rs 30000 - a difference of nearly
a lakh of Rupees. My grounds
✗ 2. for arriving at this opinion

are shut out of the 70,000

(~~or 69,000 [illegible]~~) lost

of the dry lands ~~of this District~~

or 67,000 - or practically the whole

~~cultivation~~ [illegible] - are lost or 7/!

and 8/, some of the best

lands in the District. The

respectfully beg to state that this

is opposed to one of the first

principles of Settlement. When the

lands of a district are over assessed

it is on the poorer soils that

a reduction should be made,

and on the other hand when

they are under assessed it

is on the richer soils that

the ~~increase~~ should chiefly

be made.

3. It appears to have been generally

allowed that the dry lands

were over assessed, but as far

as I can make out the

only ~~large~~ ~~ground~~ reason

223

grounds for that belief is that 36 per
Cent of the land is unoccupied
I beg to state that I do not consider
that the percentage of unoccupied
land is altogether a fair test
of the pressure of the rates to pay.
But granting that it is so, the
table we see from the revised
Statement that out of the 7.1 lands
only 7 per cent are unoccupied
and of 8.2 lands only 19 per
cent. Practically speaking the
whole of these lands are ~~occupied~~
under occupation. Then why propose
a loss of Rs 69,000 on lands for
which the ryots are evidently willing
to pay the present rates. I

43. I would next draw your
attention to the 8.2 lands
which are inferior to 7.1 and
8.1. Here 60 per cent of land
is unoccupied and yet
there is no increase in revenue

of 2 per cent. Look too at the
enormous per centage of unoccupied
land in 7.3, 7.4, ~~xxxx~~ 8.3 & 8.4
all inferior soils and mark
the insignificant reduction
in the rates. It was on these
poorer soils that the rates should
have been reduced in the hope
that the immediate loss of revenue
would eventually be made good
by the large increase of the occupation.
There can however be no hope of this
as matters. In the circle of, as far as
in every part of the world are the
richest soils unoccupied whatever
the assessment may be. In
the subaltern [illegible] of [illegible]
a few years ago some of the
dry lands were paying as much
as 20 to 30 Rs an acre.
5. I have only been 2 months
in this District and do not
therefore know much about

22

it, but I have seen parts of the Peninsulum and the Bridgeport Islys and the dry lands are certainly equal if not superior to those in R. Amdr. Yet in that district J. 1 lands are paying 2/8 an acre and S. 1. are assessed at 1.12.0 per acre, while in Madras the rates for these soils are 1.14.0 + 1.0.0 per acre respectively.

6. I trust I have shown that the loss of Revenue on the dry lands is quite uncalled for and that relief has been given where it was not required and not given where perhaps it was required.

7. There were 2 remedies that might at one time

have been adopted.

1st. To have an intermediate rate of 1.12.0 which does not exist at present. That is, areas 4.1 at 1.12.0 per acre 7.1 at 1.8.0 and 8.1 at 1.4.0 per acre. This plan, however, cannot be now adopted for the new rates were introduced into the Salsi Taluq during the recent famine and

2nd. To raise the best of the lands in 7.1 to 4.1 and those in 8.1 to 7.1.

8. I am much opposed to the raising of 7.1 to 4.1 for in that case large areas of land would be reported as black which are really red. 7/

9. The only remedy left is

to lease the bulk – not the whole –
of S.L. lands to Y.I., and
then under the circumstances
as the only difference between the 2 sides is that Y.I. thinks a little more than [illegible] with the S.L.
I would suggest by [being] [illegible]
274110 acres – or nearly half
the land in the District – have
been placed under this tenure.
The present loss of revenue
on that area is Rs 32345. But
of the total area of 274,110 acres
20000 might then be leased
to Y.I. the result would be
that instead of a loss of
Rs 32345 there would be
an increase of Rs 17,655
– a ~~failing of a~~ difference ~~difference~~ in the State Revenue of
Rs ~~17,655~~ 50000 – This itself is
an increase of 5 per cent
over the former revenue
assessment but as the increase
in area [illegible] on the land

in question is 9 per cent, the average rate per acre will then be lower than the present revenue rate. The

18. The above proposal, I think, seems fair to the State and imposes no hardship on the Ryots who will in future pay a lower rate for his land than he does at present.

To,
The Director of Revenue Settlement

Sir,

As directed in your demi-offical letter of the 3rd Instant, I have the honor to make an official reference touching the loss of revenue by Settlement on the dry lands of the Madura District.

1. The result of the application of the rates will not be a loss of revenue in excess of the sum of Rs 67,000 accepted by Government, but what I wished to point out was that in my humble opinion instead of there being a loss of Rs 67,000 there should be an increase of about Rs 30,000 - a difference of nearly a lakh of Rupees.

2. My grounds for arriving at this opinion

opinion are, that out of the Rupees 70,000 loss on the dry lands, Rs 67000 or practically the whole sum - are lost on 7-1 and 8-1, some of the best lands in the District. I respectfully beg to state that this is opposed to one of the first principles of settlement. When the lands of a District are overassessed it is on the poorer soils that a reduction should be made, and on the other hand when they are underassessed it is on the richer soils that the increase should chiefly be made.

3. It appears to have been generally allowed that the dry lands were overassessed, but as far as I can make out the only reason given for that belief is that 36 per cent of the land is unoccupied. I beg to state that I do not consider that the percentage of unoccupied land is altogether a fair test of the justice of the rates in force. But granting that it is so, you will see from the enclosed statement that of the 7-1 lands only 7 per cent are unoccupied and of 8-1 lands

lands only 19 per cent. Practically speaking the whole of these lands are under occupation. Then why propose a loss of Rs 67000 on lands for which the ryots are evidently willing to pay the present rates?

4. I would next draw your attention to the 8-2 lands which are inferior to 7-1 and 8-1. Here 60 per cent of land is unoccupied and yet there is an increase in revenue of 2 per cent. Look too at the enormous percentage of unoccupied land in 7-3, 7-4, 8-3 and 8-4 all inferior soils and mark the insignificant reduction in the rates. It was on these poorer soils that the rates should have been reduced in the hope that the immediate loss of revenue would eventually be made good by a large increase in occupation. There can however be no hope of this in Madura. To the best of my belief in no part of the world are the richest soils unoccupied, whatever the assessment may be. In the

Gudiattam

Gudiattam Taluk of North Arcot a few years ago some of the dry lands were paying as much as 20 to 30 Rs an acre.

5. I have only been 3 months in this District and do not therefore know much about it, but I have seen parts of the Periyakulam and Dindigul Taluks and the dry lands are certainly equal, if not superior, to those in North Arcot. Yet in that District 7-1 lands are paying 2 Rs an acre and 8-1 are assessed at 1-12-0 per acre, while in Madura the rates for those soils are 1-4-0 and 1-0-0 per acre respectively

6. I trust I have shown that the loss of revenue on the dry lands is quite uncalled for and that relief has been given where it was not required and not given where perhaps it was required.

7. There were two remedies that might at one time have been adopted.

1st. To have an intermediate rate of 1-12-0 which does not exist at present.

That

That is, acres 4-1 at 1-12-0 per acre 7-1 at 1-8-0 and 8-1 at 1-4-0 per acre. This plan however, cannot now be adopted for the new rates were introduced into the Palni Taluk during the recent jamabandi.

2nd. To raise the bulk of the lands in 7-1 to 4-1 and those in 8-1 to 7-1.

8. I am much opposed to the raising of 7-1 to 4-1, for in that case large areas of land would be registered as _black_ which are really _red_.

9. The only remedy left is to raise the bulk - not the whole - of 8-1 lands to 7-1, and this under the circumstances I would suggest being done, as the only difference between the 2 soils is that 7-1 has a little more clay in it than 8-1. 274,110 acres - or nearly half the lands in the District - have been placed under this taram. The present loss of revenue on that area is Rs 32[illegible] Of the total area of 274,110 acres 2,00,000 might

might well be raised to 7-1. The result would be that instead of a loss of Rs 22345, there would be an increase of Rs 7,655.- a difference to the state in revenue of Rs 50,000. This will give an increase of 5 per cent over the former revenue assessment, but, as the increase in area by survey on the land in question is 9 per cent, the average rate per acre will still be lower than the present revenue rate.

10. The above proposal, it will be seen, is fair to the state and imposes no hardship on the ryot who will in future pay a lower rate for his land than he does at present.

Head Assistant, Office of the Commissioner of R. S. & R. B.

(23)

To

The Right Honorable The Earl of Dufferin K.P., G.C.B. G.C.M.G. P.C. Viceroy and Governor General of India

The humble Memorial of George [illegible], Clerk a Deputy Director of the Madras Revenue Settlement Department, respectfully Showeth

1. That your Memorialist was made permanent Deputy Director on the 2nd September 1880 the Salary of the appointment then being Rs 787½ (Pay Rs 700 + Rs 87½ fixed Tentage).

2. That in 1883 when the position of the superior Staff of the Settlement Department was improved and their salaries revised, your Memorialist was allowed to continue to draw his salary of Rs 787½, as the Revision scale of pay then being fixed for the 2 grade Deputy Director was Rs 750.

3 That the ~~[illegible]~~ Accountant General deeming that your Memorialist would be placed at a disadvantage as compared with the others in the same grade as regards Pension and Leave allowances should his pay be calculated as Rs 700 pay and Rs 87½ fixed tentage, suggested that Rs 750 (the salary fixed for the 2nd grade Deputy-Director) should be regarded as his pay and Rs 37½ his fixed tentage, and the local Government accepted this suggestion in their order No 1150, dated the 15th September '83.

4 That the Government of Madras, however, on being requested by the Accountant General to amend the Pension Allowance Code in conformity with the above order, ~~[illegible]~~ stated that it was not the intention of the Government of Madras to improve the position of your Memorialist, but simply to leave him in receipt of the same emoluments as long as he

continued a 2nd grade Deputy. The
Madras Government accordingly
by their order No 638, dated 17 May 1882,
ruled that your memorialist's allowances
should be calculated at Rs 700 pay
+ 87½ grain compensation (vide copy to
the Govt of India, Department
Finance & Commerce, No. 638 A.)

5. That your memorialist by this
ruling is worse off than his juniors
as regards acting allowance, and
pension, & leave allowances, as
the grain compensation of Rs 87½ is included
in calculating such allowances
while in the case of his juniors
they would be calculated on their
consolidated salary of Rs 750.

6 That during the past 2½ years
while acting as 1st grade Deputy
his allowances were calculated
at Rs 966⅔ per mensem (Pay
Rs 700 + Rs 266⅔ acting allowance).

7 That your memorialist's juniors
would under similar circumstances
draw Rs 983⅓ (Pay Rs 750 +
233⅓ acting allowance), and he

has therefore suffered a loss of Rs 450.

8 That your memorialist has been informed by the Accountant General that in the event of his again acting with the 1st grade, and there being a change of station, he would for the first 30 days draw Rs 700 only, or Rs 84½ less than he is drawing as 2nd grade deputy, and Rs 50 less than his juniors.

9 That your memorialist respectfully begs to suggest that it was not the intention of the Government of India to thus place him at a disadvantage as compared with his juniors.

10. That the question is one of importance to your memorialist, more particularly in the event of his health breaking down and his being compelled to proceed on furlough or take his pension

11 That your memorialist respectfully requests that your Excellency in Council will be pleased to take the above circumstances into consideration and direct that his allowances be treated, as Rs 750 pay + 37½ grade (?), and thus place him in a position of equality with the Junior 2nd grade Deputy Director as regards Pensions, leave and acting allowances, and for traveling (?) allowance as on duty pay

To

The Director of Rev Settt & agriculture
Madras

Sir,

In retransmitting herewith the Pension application of S Amirtalingam Pillai returned with your Proceedings No 2148 dated 8th July 86, I have the honor to state that the omissions in the Service Register have been duly filled up to correspond with the pension roll.

2 With reference to para 2 of your Proceedings I beg to state that there are no persons in the Party who can give ~~contemporary~~ evidence as to ~~of~~ applicants services during the period of 2 months & 19 days from 13th May to 31st July 1866. Amirtalingam Pillai in his affidavit declares that he

he ~~had been~~ was on duty and had no leave on loss of pay from 1864 to 1866.

3 Adverting to para 3 I regret to state that T Auuitalingam Allai to whom I have sent 2 letters to appear before me and give his affidavit has neither appeared ~~before me~~ nor sent any affidavit or reply. But from the affidavit already obtained it appears that the applicant had no breaks in service. The necessary affidavit will however be submitted as soon as I can obtain it from the applicant, or the Collector of Trichinopolly, where he ~~appears~~ resides, will be addressed to obtain the necessary ~~affidavit~~ documents from him

Madras.

Sir,

In forwarding herewith an Extract from the Survey plan, the Amin's field book no. 2 and the arealist of No. 18 Siliyampatti village, Periyakulam taluk, I have the honor to request that you will be good enough to ascertain from the Superintendent of Madras Survey the correct area of Survey field no. 411 and communicate the same to me. The area of the field in question ~~obtained~~ by measurement is acres 1-97 against acres 1-76 by jamabundi whereas the area given in the area list is acre 1-0.

2. The Superintendent may also be requested ~~for making~~ to make the following corrections in the Survey plan of No. 35 Sukkarai village Periyakulam taluk as per accompanying sketch no. II. No: 2737 to be altered into 2736

SIR,

In continuation of my letter No 230 dated 26th Ultimo, I have the honor to forward the abstracts of 7 villages of the Periyakulam Taluk for your approval and return.

2. From the accompanying statement it will be observed that there is in assessment a decrease of 3 percent in dry and an increase of 37 percent in wet, while in area there is an increase of 7 percent in the former and 3 percent in the latter. The average revenue rate per acre is Rs 1-1-7 and 3-9-0 for dry and wet respectively, while by ~~proposal~~ Settlement it is Rs 1-0-0 for dry and 4-12-0 for wet.

3. The Cause of the decrease in dry and increase in wet assessment has already been fully explained in my letter No 203 of the 25th July last.

No 189 (183)

Vizagapatam
6 July 86

To the Director

Sir

I have the honor to bring to notice the ~~hardship and~~ disadvantage ~~which~~ I labour under of the ruling of G.O. dated 13th May 1884 No 638 ~~that~~ to the effect that my salary of Rs 787-8-0 ~~per~~ mensem as 2nd Grade Deputy Rs 700 shall be my pay and Rs 87-8-0 personal allowance.

2. The Government in their order No 1150 of the 19th September 1883, ~~each~~ ruled, at the request of the Accountant General, that Rs 750 should be my pay and Rs 37-8-0 my extra allowance, Rs 750 per mensem having been fixed as the pay of 2nd Grade Deputy Director on the reorganization of the department

3. Unfortunately the Government of India in their letter forwarded with G. O. of the 13th May 1882 objected to this on the ground that the ~~[illegible]~~ was not intended to improve my position but merely to leave me the receipt of my former pay of R 787-8-0 so long as I remained the 2nd grade Deputy.

4. I beg respectfully to suggest that although the intention of the Madras Government was then as of the 19th September 1883 to improve my position in any way and ~~[illegible]~~ by my being appointed to act as 1st grade Deputy Inspector I should not be allowed ~~entitled~~ ~~to draw~~ ~~[illegible]~~ extra salary of R 87-8-0.

5. I beg to point out that by the ruling of the Govt. of India

194

My pay 700 — The Junior Dy on pay 750

Acting allowance at 2/3 of the difference between the pay of the 1st grade Dy & that of the acting incumbent — 266-10-8 — 233-5-4

Total 966-10-8 — 983-5-4

Difference 16-10-8

I am placed in a worse position
than my juniors, for on my being
promoted back as 1st grade
Deputy - I draw Rs 16-10-8 less than
the junior deputy [illegible] [illegible]
at the same position as shown in
the margin - For the last 2¼ years
and with the exception of an interval
194 of 20 days I have been acting
as 1st grade Deputy and have
suffered a loss thereby of Rs 445.
6. [illegible] I am at a disadvantage
both in the way of furlough & ~~allowance~~
and pensionary allowances, for
the Accountant General informs
me that these are calculated
under the Government of India
order, at Rs 700 per mensem while those
of the junior ~~deputy~~ [illegible]
this successor will be
calculated at 750 Rs per mensem.
I am [illegible] [illegible] believe to
act as 1st grade deputy [illegible]
for the next 2 years, and

Kind I at the rate of that
time though ultimately have
to proceed on furlough or take
my pension I have suffered a
loss of about Rs 500 -

7. Another instance of the
hardship of this rule ~~[illegible]~~
has just occurred for the
Accountant General informs
me that I am not entitled
to any acting allowance ~~which~~
for the first 30 days of × from 20th
my charge while acting for Colonel × [illegible]
C. J. Stewart, 1st Grade Deputy
as there was no change of station
and at the same time states
that ~~I have lost~~ I must forego, under the order,
my claim to the latter Rs
of 87.80 because I am acting
as 1st Grade Deputy. The result of
this is that I ~~draw Rs 87.80~~
~~less which acting for~~ during the
first 30 days I ~~have~~ have acted
for Colonel Stewart I lose Rs 87.80

(185) less than I drew as 2nd Class Deputy, and Rs 50 less than the junior Deputy Director drew for the same period.

8. I respectfully beg to suggest that it was not the intention of the Govt. of India to thus place me at a disadvantage as compared with my juniors. The matter is one of [illegible] importance to me [illegible] not the loss [illegible] nothing done [illegible] the sum of money in question is not a large one.

9. Under these circumstances I respectfully beg that the Madras Government may be requested to refer the matter my case to the Govt. of India with a view to my allowance being treated as Rs 750 pay plus Rs 250 [illegible] personal allowance, and so place me on a footing of equality [illegible] [illegible] Lakshmanan Rao [illegible]

REVENUE SETTLEMENT OFFICE,
Periyakulam 12th July 1886.

Enclosure. 5.

To

THE Director of Revenue Settlement and Agriculture
Madras.

SIR,

With reference to your Endorsement on Petition No. 99 of 1886 from Muttaiyan Chetti and others of Kalaiyamuttu village, Palani Taluk, complaining that the Survey field No. 672 ~~which they allege to form a portion of their patta land old No. 673 and to have been in their possession,~~ has not been included in their patta granted at the new settlement, I have the honor to state that, from the report of the Supervisor to whom the present case was referred for enquiry, and from the records now produced by petitioners & their opponents, it is clearly evident that the dispute in question has been finally settled by the High Court who have

have decided that the disputed land and trees standing thereon belong to Iswarappaiyar and others and not to the petitioners. ~~and~~ that the possession and enjoyment of the same by Iswarappaiyar and others are beyond dispute is also established by the punishment inflicted on the petitioners by the Joint Magistrate of the District for their criminal trespass on that land. The petitioners therefore have no claim to survey field No 672 and consequently no omission is made in their settlement patta.

The petition with its enclosures is herewith returned.

I have &c

SIR,

In Continuation of my letter No 246 dated 11th ultimo, I have the honor to forward the abstracts of 8 villages of the Periyakulam Taluk for your approval and return. This Completes the submission of abstract for the whole of this Taluk.

2. From the comparative statement herewith sent it will be observed that there is in assessment a decrease of 5 percent in dry and an increase of 28 percent in wet, while the area shows an increase of 10 percent in dry and 6 percent in wet.

[illegible] rate per acre is Rs 1-2-7 for dry and Rs 4-3-6 for wet, while by settlement it is Rs 1-0-7 for the ~~former~~ and Rs 5-1-9 ~~for the latter~~. respectively

3. The increase of 28 per cent in wet
less than the sanction of Govt for
is ~~not too much for this tract as the~~
the 2nd [illegible] taluq - 33 per cent
~~Government have already sanctioned~~
~~an increase of 37 per cent for this~~
~~Taluk~~, while the slight decrease in dry
calls for no remark
~~needs no consideration~~ being only 6 per cent.

I have &c

No. 288

REVENUE SETTLEMENT OFFICE,
Periyakulam 4 November 1886.

Enclosure. Nil

(35B)

To

THE Director of Revenue Settlement
and Agriculture
Madras.

SIR,

With reference to your Proceedings No. 3393 of the 29th Ultimo, communicating Proceedings of the Madras Government (Revenue Dept.) No. 16351 dated 2nd Idem, I have the honor to state that I still desire that my memorial may be forwarded to the Govt. of India for favorable consideration. At the same time I respectfully beg that the Madras Govt. will be good enough to recommend that if the Govt. of India are unable to comply with my request, they will sanction my drawing a consolidated salary of Rs. 750 per mensem from the date of the reorganization of the Department — G.O. No. 962 dated 8th August 83.

I have &c

No 289 Dindigul 13 Nov. 86.

Encs. 4.

(254)

To

The Director of Revenue Settlement
& Agriculture
Madras.

Sir,

I have the honor to report on the progress of work of this party during the month of October 1886 and to submit the usual returns.

2. Subdivision measurement.

The measurement of interstitial holdings was completed in 12 villages in the Dindigal taluq, and 26 villages were in progress in the same. The actual outturn during the month was 2141 Survey nos. containing 7713 letters or 20,530 pluses. The rate of work per man per diem was 14 letters or 36 pluses.

3. Examination of measurement work

This work was completed in the remaining 8 villages of the Periyakulam taluq

" " taluq. In the Dindigal taluq 14 villages were completed and 30 were in progress.

4. Introduction of Settlement in the Periyakulam taluk.

The following items of work were finished for the whole taluq —

(1) The Comparing of Classification Registers with Chitta & Adangal of F 95.

(2) The preparation of Blockwar Katavani

& " " " " abstract.

The writing of rough chittas of 6 and pattas of 11 villages were completed. The plans & abstracts of the remaining 8 villages of the taluq were submitted for approval, and have since been returned. Appeals of 15 village were heard during the month under report.

5. Assistant Collectors Messrs: Butterworth & Campbell joined this party to undergo training in the Settlement ~~department~~ operations.

Sir,

With reference to your Procs. No 3520 dated 8th Instant I have the honor to submit a ~~correct~~ revised Statement explaining the discrepancies pointed out ~~therein~~ in the above procs. and to state as follows:—

Item No 1. No supply of this article was received during 86-87 from the Stationery office, and the balance of 5 quires on hand was expended before the date of Indent. This article was omitted in the Indent and only Foolscap Machine Made was indented for.

Item No 2 The entry of 7-9-12 under

the

provision expenditure for the remaining months may be corrected as R 8 - a 9 - p 12 in the Indent.

Item No 3 - The balance on hand on 1st April 85 was R 23 157/160 which is equal to R 23 - a 19 - p 15 and not 23 - 18 - 15 as shown in your office statement.

Item No 4. One Ream of Bally brown Cartridge 40 lbs received during 86-87 is included under this head.

Item No 5. The expenditure during the year 85-86 was 3/80 Reams i.e. 18 sheets and not 12 as ~~printed out~~ inserted in your office statement.

Item No 6. This item being entirely omitted in the Printed Indent Form, it was accordingly omitted in my Indent with a view to making special application for the supply of this and other Colors.

Item No 7. The omission of 1 Inkstand

under

369

under the "probable expenditure" for the remaining months" may be inserted in the Indent, and the entry in the remaining columns of the Indent against this article is blank.

Item No 8. The supply of the Cotton-twisted European Balls during 86-87 was 3/16 lbs and not 15/64 lbs as marked in your own Statement.

2. The date of stock taking in both this and the last year was the 1st October.

I have &c

To

THE Director of Rev Sett & Agriculture

SIR,

In forwarding herewith the area lists, Amin's measurement books and Extracts from the Survey plans of Karkattankulam and Mottanuttu villages Periyakulam Taluk, I have the honor to point out that from the measurement book of Karkattankulam the S Nos 304 & 303 marked in red ink are erroneously entered in the Survey plan in place of Nos 303 & 304 respectively. The area of each field is correct shown in the area list with reference

reference to the measurement book

2 It is observed from the abstract sketch of the survey plan of Mottamullu village, that S No 702 includes 2 portions A & B therein marked. These have been so demarcated and surveyed. The area list represents 3 acres 10 cents as the extent of the whole No 702 whereas it is seen from the measurement book that it is only the area of the portion B. The area of the whole No 702 ~~being~~ is found to be 5 acres 21 cents. It is clear that the area of the portion A i.e. 2 acres 11 cents has been omitted and ought to be now included

3 I request that the Superintendent of R. Survey may be addressed to make the necessary corrections in the map &c and intimate the same to me to enable me to have similar corrections made in the records of those villages.

To the Director

Sir

With reference to para 2 of ~~Board~~ Proceedings of the Board of Revenue No 2089 dated the 18th September last, I have the honor to enquire whether I am right in presuming that the order in question refers to the ~~buildings of Sabdivided only, or at all~~ ~~tanks~~ fields that are subdivided subsequent to the completion of Survey & Settlement work.

2 The interstitial fields that will be on new measuring are not marked with stones, and I should think it necessary that they should be. Our

plans will show the position &
shape of these interstitial pieces,
& it is very right & proper
that future subdivisions shall
be marked out at the
expense of the parties at whose
instance the subdivision is made.

Sir

I have the honor to request ~~[illegible]~~ orders regarding the treatment of the many very small tanks or ponds that abound in this district.

2. The tanks referred to are very mean in area, hold water for a few weeks or days only, and have but very small ayacuts ranging from 15 cents to 4 or 5 acres — Government have never to the memory of man spent any money on them and if ever [illegible] on them [illegible]. Any thing that the State [illegible] [illegible] repairs that may have been found necessary have been — the ryots [illegible] repairs at their [illegible]

this expense, and it seems to me
[further] unsafe that the agriculturists should
be charged the ordinary dry
assessment of 3 and 4 Rupees
per acre.

3. Tanks of this description are
very numerous in this District
and in the Sundapet taluq alone
there are 2 or 3 hundred of them.
They appear in the village accounts
as irrigation works but of course
the wet revenue derived from them
is very insignificant.

4. It would be advisable, I think,
to hand over these tanks to the
Ryots and ~~charge~~ [assess] the agricult-
-ure special rates ~~varying~~ from
2 to 3½ Rupees according to
the ~~value~~ quality of the soil and
value of the irrigation.

5. Generally I have always advocated

the method of this form ~~area for~~
all lands having arrears after 10 years
of ~~such ... lands~~. In the North
submitted to the
Arcot District I prepared a
statement for each village ~~for all~~
~~lands ... having arrears~~
~~to ...~~ showing the area of arrears,
the revenue assessment, the full settlement
assessment and finally the reduced rate
at which I proposed the lands
should be handed over to the Ryots.
Inamdars invariably found that the
Ryots were willing to accept any
rates, and that would not
entail any loss of revenue. Nearly
... for two reasons would be ...
the cost of assessment ... fall,
accounts would be simplified, and
it would be to the interests of the Ryots
to have the lands in their proper
... order.

VI. The class of lands above referred
to is of minor importance to the
class of ... larger lands
from the extent of which it
is proposed to
... fixed proportion of the

Revenue.

7. ~~I am not aware of~~ I do not know if the ~~results of any~~ what has been done with the proposal, that I made in [illegible] last [illegible], to Shelton that after I left the District lands [illegible] the Collector decided when [illegible] cases came before him [illegible] in his [illegible] the orders of the Board or Government to land or such lands to the Ryots.

8. I do not think that any final orders have issued by Government regarding the minor irrigation tanks in the Collectorate of Cuddapah. And if not I would beg to suggest that they may be requested to allow me to deal with these [illegible] tanks in the manner I have proposed. J.H.B

Under these circumstances I would beg to suggest that the Board of Revenue be requested to allow me to deal with these [illegible] lands in the manner I have proposed.
